Deadline for T-Shirt recognition: Friday, May 11th

The Lebanon Township Education Foundation is currently seeking corporate sponsorships for our upcoming Run Into Summer 5K. The 8th annual LTEF Run Into Summer 5K race will be held on **Sunday June 2, 2019** and is expected to have 200 participants with marketing reach to all families in the Lebanon Township and through the NJ racing community.

The LTEF is a non-profit 501(c)3 organization dedicated to promoting education in Lebanon Township, New Jersey. This effective parent community partnership sponsors community education programs, underwrites teacher grants, and funds capital improvement projects in the township's elementary and middle schools. Community and business sponsorship enabled some amazing **LTEF grants since our last race** (June 2018). Our 2018 funds were focused on in class STEM events below and included additional grants supporting, thermodynamics STEM kits, classroom technology grants, and additional microphones for theater programs.

Past Year Valley View School STEM Events:

6 th grade: Da Vinci Center Thrill Ride program focusing on gravity

LTEF grants in progress that we intend to close in the 2018-19 school year include:

LTEF long-term goals include:

- ❖ Maintaining an annual in classroom hands on enrichment program for each grade K-8
