

The Lebanon Township Education Foundation presents:

The Teacher Grant Program

Put your money where your heart is!

Our **teachers have great ideas** for special projects in the classroom:

- **Ideas** that **engage** our children and **stimulate** learning in unique ways.
- **Ideas** that usually require application for time-consuming outside grants.

The LTEF Teacher Grant Program streamlines that process by connecting teachers directly to you . . . **The community.**

What Is It? How Does It Work?

- The Teacher Grant Program is an online wish list—posted by teachers and funded by the community.
- Visit LTEFuture.org & click on *Teacher Grants* at the top to search for projects.
- You can browse by academic subject, dollar value or school & teacher.
- Projects can be funded partially or fully, & you can pay by credit card or check.

The Teacher Grant Program
is an exciting opportunity to reward our teachers'
creativity in the classrooms.
When we support their ideas, we give our children
a wonderful gift too.
Success depends on YOU!
Let's put our \$\$\$ where our hearts are.

Lebanon Township Education Foundation

The L.T.E.F. is a 501(3)(c) non-profit organization. All donations to the Teacher Grant Program are tax deductible.
